Overseas Student Health Cover

If you're on a Student Visa at Lead, you must have a current health insurance policy, this is known as Overseas Student Health Cover (OSHC).

You can choose to take out OSHC with a provider recommended by us, or with the Australian OSHC provider of your choice. There are five providers of OSHC in Australia. Visit these websites to find detailed information on what they cover and to decide which provider is right for you.

Several prominent OSHC providers are:

1. Australian Health Management - www.ahmoshc.com
2. BUPA - www.bupa.com.au/health-insurance/overseas-students/cover/oshc
3. Medibank Private - <https://www.medibank.com.au/overseas-health-insurance>
4. World care - www.oshcworldcare.com.au
5. NIB - www.nib.com.au/overseas-students

Your OSHC will help you pay for any medical or hospital care you may need while you're studying in Australia, and it will contribute towards the cost of most prescription medicines, and an ambulance in an emergency.

Please speak to an OSHC provider in order to get more information about the services offered.

VISA and Arriving & living in Australia

Once you receive your electronic Confirmation of Enrolment, you will need to apply for your visa.

For more information please visit <https://www.homeaffairs.gov.au>

The website link explains the process for application, evidence that you must provide (including a valid passport), information on student visa conditions, and permission to work, Overseas Student Health Cover and charges associated with the visa application.

You may wish to use a registered migration agent to assist you with the process of applying for a course to arrive at Lead College and including assistance with visas. Contact us for details of the education agents that we use.

Ensure that you allow enough time between lodging your application and the start of your course, as applying for a visa can be a lengthy process.

Visa Conditions

If you are granted a visa, you must abide by its conditions. Failure to comply with these conditions may result in the cancellation of your visa.

For more information please visit <https://www.homeaffairs.gov.au/trav/stud>

Arranging Travel and Documents to Bring

Costs of travelling to Australia are not included in your course fees, and you will need to arrange and pay for your travel to Australia. You should plan to arrive in the city of the campus of your study at least two weeks before your course orientation to give you time to settle in.

You will need to prepare a folder of official documents to bring with you to Australia including:

- Valid passport including a valid student visa
- Copy of Confirmation of Enrolment (CoE)
- Copy of OSHC
- Original or certified copies of documents such as your birth certificate, medical records and educational qualifications as advised by Lead College at the time of confirmation of enrolment.

If you are travelling with your family, you will need to include their documents as well. Keep all documents in your carry-on luggage. In case you lose the originals, make copies that can be left behind with family and sent to you.

Entry into Australia

When you arrive in Australia, you will need to show your passport and incoming passenger card at a Customs and Immigration checkpoint. You may be asked questions about your stay before your passport is stamped and handed back.

Once you have passed through the Immigration checkpoint, you should collect your bags ensuring that you check your baggage and check that nothing is missing or damaged

Staff at the baggage counter will help you to find missing baggage or lodge a claim for damage to your belongings.

You should declare any items that you are bringing in on the form given to you on the plane. If customs officers decide that the item you are bringing in are not safe, they will be confiscated and destroyed.

If you fail to declare or dispose of any quarantine items or make a false declaration, you may receive a fine or be prosecuted. All international mail is also screened and checked by Customs.

For more information please visit <https://www.agriculture.gov.au/biosecurity>

Arriving in Australia

Getting from Location airport to your accommodation - Lead College can arrange pickup and drop-offs, however it is a paid service that must be requested by the student four weeks in advance.

Please contact Lead College staff in advance at studentservices@leadcollege.edu.au

Keeping in Contact

Before you leave home, you should provide your family and friends, and your education provider in Australia, with details of your flights to Australia and where you will be staying when you arrive. (Do not change these details without informing them.) Once you have arrived in Australia, you should then let your family and friends know that you have arrived safely. For safety reasons, always let someone know where you are.

Arranging your finances

The currency of Australia is the Australian Dollar. Ideally, you should change your money into Australian dollars before you arrive but if you haven't you will need to change some as soon as you arrive - you will usually be able to do this at the airport.

For more information please visit <https://www.studyinaustralia.gov.au>

Accommodation

It is best to book temporary accommodation before you arrive and look for long-term accommodation once you reached Australia.

Temporary accommodation could be a hotel or hostel. There is a range of long-term accommodation options for international students. For example:

Private rental

A private rental is where you sign a lease for a whole apartment or house. The lease will include the rent payable, the bond (a refundable amount once you leave the rental), the length and type of tenancy, and other conditions and rules.

Share house

A share house is when you share a private rental with friends or housemates. All tenants are listed on the lease and pay their share of rent and bond.

Boarding or homestay

Boarding or homestay is when you rent a room in a home and live with the homeowners. This is a private agreement between you and the homeowner.

It is important to remember that as an International Student, you have the same renting rights as local residents.

Review the information below about renting and tenants rights.

For more information please visit <https://www.fairtrading.nsw.gov.au/housing-and-property/renting>

Bringing your Family with You

If you intend to bring your family with you, they will also need to have a visa and be covered by health insurance.

Family members include your partner (married or de facto) and your children under 18 years of age. You will need to provide proof of your family relationships with official documents including birth certificates and marriage certificates.

For more information please visit <https://www.homeaffairs.gov.au>.

You should also be aware that the above costs for childcare and schooling are in addition to living costs as outlined in the section on living costs.

Living Costs in Australia

Migration regulations in Australia require international students to show evidence that they can contribute to the cost of living and studying in Australia. This helps to ensure students are better able to make the most of their studies and have a safe and enjoyable experience in Australia. Students must demonstrate that the funds they are relying upon to meet the costs of studying in Australia will be genuinely available to them during their stay in Australia.

For more information please visit <https://www.studyinaustralia.gov.au/english/live-in-australia/living-costs>

Student Welfare, Support Services, and Guidance

Lead College Welfare Services are administered by the Student service / Welfare officer who has a capacity to assist students in all matters of personal and professional nature and will refer students to suitable subject matter agencies for issues that are beyond their individual skills.

Students can present and discuss any issue with the staff, and they will decide whether to handle the issue personally, dependent on the issue, or refer the student to the Student service / Welfare officer. A referral appointment will always be arranged by Lead College unless specifically requested not to assist by the student requiring the assistance.

There are no charges for internal welfare and support service referrals. Some external agencies may charge for external services, and the student will be advised of this prior to confirmation of any appointment. Lead College strives to meet the particular needs of each student and to provide support and welfare services to students which are useful, efficient, timely, and effective.

Students can apply for course credit for units on the basis of their previous studies at Lead. Lead College also recognises qualifications issued under the Australian Qualifications Framework and Statements of Attainment issued by other Registered Training Organisations.

Application for Credit Transfer

Applicants for enrolment or enrolled students can apply for credit transfer using the “Application for Credit Transfer” form. Applications for credit transfer are made and documents submitted at the reception desk. Applicants will be provided with a copy of this credit transfer policy and a copy of a credit transfer application form.

Deferral of Enrolment

Students who wish to defer or temporarily suspend their enrolment can apply to do so only if the course in which they were enrolled is unavailable, their visa is delayed, or there are compassionate or compelling circumstances.

Requests for deferral must be accompanied by supporting documentation as proof of the necessity to defer.

Where no supporting documentation is available, a supporting letter explaining the reasons must be provided.

Deferral of Enrolment

Supporting documents may include (but are not limited to):

- Revised Letter of Offer from pathway partner
- Transcripts from current institution
- IELTS exam date
- Visa lodgement date
- Medical Certificate
- Death certificate and/or
- Police or psychologist’s report

Student application for deferment prior to commencement

A request by a student for a deferment prior to course commencement must be made using the application for deferment, suspension or cancellation of enrolment.

The application must be addressed to the Student Services / Welfare Officer.

The application must be accompanied by supporting documents. When the application is processed, and if a deferment is granted, the student will receive a revised offer of enrolment (a revised Enrolment Offer and Acceptance Agreement) and a revised CoE.

Notifying a student of the outcome of an application for deferment prior to enrolment

An applicant for deferment prior to commencement will have written notification of the result of the application available within ten working days of lodgement of the application.

The student will be notified of the outcome of the application for deferment by use of either the:

- Notice of approval for deferment, suspension or cancellation of enrolment.
- Notice of rejection of an application for deferment, suspension or cancellation of enrolment.

Suspension Requests

A request for temporary suspension of enrolment must be made using the application for deferment, suspension or cancellation of enrolment. The application must be addressed to the Student Services / Welfare Officer. The application must be accompanied by supporting documents.

An application for suspension must be submitted at least ten working days before the date of the requested suspension. A student may request a suspension of up to six months.

Notifying a student of the outcome of an application for suspension of enrolment

An applicant for a suspension of enrolment will have written notification of the result of the application available within ten working days of lodgement of the application.

The student will be notified of the outcome of the application for suspension by use of either the:

- Notice of approval for deferment, suspension or cancellation of enrolment.
- Notice of rejection of an application for deferment, suspension or cancellation of enrolment.

Assessing a student application for deferment or temporary suspension of enrolment

Each application made by a student for deferment or temporary suspension of enrolment will be considered by the Lead College Management Committee.

The Lead College Management Committee will consider the documents provided by the student in support of the application and, in the case of a request for suspension, seek to interview the student.

Application for a suspension which would cause the duration of a course to be longer than that specified on the CoE

If a temporary suspension of enrolment for which a student is applying would cause the duration of a course to be longer than that specified on the CoE, the student must also make an application for a course extension.

The student will be assisted with this by the Student Services / Welfare Officer. In this instance, if the application for a suspension is approved, the application for course extension will also be approved.

The student will be advised to check with the nearest Department of Home Affairs (DHA) office for information about the impact of the extension of the course duration

Outcomes for the student's Confirmation of Enrolment

There are two possible outcomes for the CoE of a student who has requested and been granted a deferment or suspension of enrolment.

1. Deferment or suspension without affecting the end date of the CoE

In this case, Lead College notifies DOE through PRISMS that it is deferring or suspending a student's enrolment for a period without affecting the end date of the CoE. In this case, there is no change to the CoE or the student's enrolment status on PRISMS.

The student's CoE status will still be listed as "studying." The notice of deferment or suspension will, however, be recorded in PRISMS and sent to the Department of Home Affairs (DHA). This information will be kept by the Department of Home Affairs (DHA) for future reference.

2. Deferment or suspension which affects the end date of the CoE

In this case, Lead College notifies DOE through PRISMS that it is deferring or suspending a student's enrolment for a period which will affect the end date of the CoE. In such situations, PRISMS will cancel the original CoE and immediately offer Lead College the opportunity to create a new CoE with a more appropriate end date.

If Lead College does not know when the student will return, the PEO will choose not to create a new CoE at this point, but to wait to issue the new CoE until the student has provided notification of the intended date of return.

Advice to contact the Department of Home Affairs (DHA)

Students applying for deferment or temporary suspension of enrolment are advised to refer to the Department of Home Affairs (DHA) website (www.homeaffairs.gov.au) or helpline (131 881) for information, and the local Department of Home Affairs (DHA) office for advice, on how the potential change to enrolment status may impact upon his or her visa.

Cancellation Requests

Lead College may cancel the enrolment of a student if the student:

- Is in breach of a condition of ongoing enrolment, including:
- The requirement to attend for submission of the assessment as part of the course progress in all scheduled classes every study period
- The requirement to not plagiarise, collude or cheat
- The requirement to pay agreed tuition fees by the dates agreed in the enrolment offer and Acceptance Agreement has been in breach of the Lead College Student Code of Conduct
- Is assessed by the ceo as providing a threat to the well-being of other students or staff
- Has been assessed as behaving in a way such as to constitute serious misconduct fails to meet the requirements of the course progress policy

Applicants are advised of each of these grounds for deferment, suspension or cancellation prior to signing the Student Offer and Written Agreement.

Notice of intention to defer, suspend or cancel enrolment

Where a deferment, suspension or cancellation is initiated by Lead College, the student will receive a notice of intention to defer, suspend or cancel enrolment.

Appealing against Lead College's intention to suspend or cancel enrolment

A notice of intention to defer, suspend or cancel enrolment will clearly identify that the student receiving the notice will be given 20 working days to access Lead College's internal complaints and appeals process. The 20 working days begins from a date specified in the letter which allows for a reasonable time for delivery of the letter.

Notices of intention to defer, suspend or cancel enrolment are sent by registered mail to the address on the student's file and by email to the email address on the student's file.

Contacting the student within the 20 working days available to appeal

If no appeal is received, then the Student Services / Welfare Officer is responsible for contacting the student on the 19th working day following the date specified in the letter in order to provide the student with a final opportunity to lodge an internal appeal. Contact will be made by telephone or email.

Student Contact Details

It is important that Lead College has the current residential address, personal email address, telephone number and emergency contact details for every student.

This enables Lead College to provide important information such as warnings, reminders and study notifications and to ensure that correct information is being supplied by Lead College to DHA.

Students must advise Lead College of any change in their contact details within seven (7) days, either in person or by notifying Student Services Staff in writing.

Full Time Study Load Requirement

Under Australian immigration law, international students are required to study full time. Only in limited circumstances may international students be enrolled in less than 100% of a normal full time load.

Students who fail to enrol will be non-compliant with Australian visa regulations and may be reported to Australian Government Department of Home Affairs for cessation of studies.

Recognition of Prior Learning (RPL)

Applicants for enrolment at Lead College, and students enrolled in a course at Lead College may apply for Recognition of Prior Learning (RPL). Lead College will ensure that all applicants for enrolment and all students have access to the Recognition of Prior Learning (RPL) and Procedures.

The Recognition of Prior Learning and credit transfer policy recognises that prior study, together with work and life experiences, may have provided an applicant for enrolment or a student with competence in the outcomes prescribed in a training package.

Credit for units of competency will be provided if a candidate who applies for Recognition of Prior Learning is able to demonstrate learning, skills, and knowledge that meet the performance criteria of the units of competency for which the candidate is applying for Recognition of Prior Learning.

Transferring Education Providers

A student who wishes to request a transfer to another provider should first have a valid Letter of Offer of their principal course from Lead College.

Lead College will only assess requests from students for a transfer between registered providers prior to the student completing six(6) calendar months of the principal course of study in accordance with the documented procedures of the Australian Government regulations, the ESOS Act and the National Code.

The student will need to provide with their application an original and valid enrolment offer from another registered provider.

Students must complete an application to provide a genuine and legitimate reason for changing registered providers, details of the course the student is enrolled in at Lead College, course duration and course progress made.

Notices will be placed throughout the Lead College campus(s) notifying students of course and tuition fees.

Payments must be made in advance of the pending unit of competence or term. Where a student has negotiated to pay by the unit, payment in full must be received before any resources will be provided; once resources have been provided, no refund will be given.

The total payment charge for a payment plan section is required to be finalised at least fourteen days prior to the end of the designated period of study.

Cancellation of enrolment does not cancel the obligation to make all payments under the payment plan (refer to Refund policy).

Tuition Protection Service

Lead College, at its own cost, participates in the Tuition Protection Service (TPS) to protect the interest of both Lead College and its students.

TPS is an initiative of the Australian Government to assist international students whose education providers are unable to deliver their course of study fully.

The TPS ensures that international students are able to either:

- Complete their studies in another course or with another education provider; or receive a refund of their unspent tuition fees.
- In the unlikely event the education provider is unable to deliver a course that the student has paid for and does not meet their obligations to either offer an alternative course that the student accepts or pays the student a refund of the unspent prepaid tuition fees (this is called a provider's 'default obligations'), the TPS will assist the student in finding an alternative course or to get a refund if a suitable alternative is not found.
- The Tuition Protection Service (TPS) aims to protect the considerable investment international students make in Australian education and to protect and enhance Australia's global reputation.

Consumer protection, Laws and ESOS Framework

Consumer protection laws

The agreement of the student to the conditions stated in the offer acceptance agreement, and the availability of complaints and appeals processes, does not remove the right of the student to take action under Australia's consumer protection laws. It's the student rights as a consumer to obtain the cooling off period for the service that they have decided to opt for.

The ESOS Framework

Lead College is committed to providing you with quality education and protecting your rights. The following is the text of a document published by Australian Education International, which is the international arm of the Australian Government's Department of Education, Employment and Workplace Relations. The document is entitled "The ESOS framework - providing quality education and protecting your rights."

It is available at <https://internationaleducation.gov.au/>

The ESOS framework sets out the standards Australian education providers offering education services to overseas students must obey. These standards cover a range of information you have a right to know and services that must be offered to the

Protection for overseas students

As an overseas student on a student visa, you must study with an education provider and in a course that can be found on the Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS) at <http://cricos.education.gov.au>

CRICOS registration guarantees that the course and the education provider at which you study meet the high standards necessary for overseas students. Please check carefully that the details of your course - including its location - match the information on CRICOS. It is also available to students in the Lead College Reception Desk.
